WELCOME TO NAUGATUCK VALLEY COMMUNITY COLLEGE.

Dear NVCC Donors and Friends,

The NVCC Foundation rose to the challenge of fulfilling its mission to serve our students in an unprecedented time. When the pandemic struck, our talented staff under the leadership of Associate Dean of Development Angela Chapman was able to assure that our programs continued.

As the College moved to remote learning and students grappled with loss of jobs, the challenge of digital access and, for many, increased family responsibilities, we adjusted our services to meet their changing needs. Those employed by the Jobs on Campus program were able to work virtually. Food insecurity became more acute for many students, so our Student Food Pantry arranged for deliveries as students no longer came to campus.

Although we missed the energy and excitement of an in-person Honors Night, we are proud to have provided 203 scholarships for the academic year 2019-2020 as our program continues to grow.

We also were not able to host our Leadership Breakfast, but fortunately several of our sponsors continued to make their important contributions.

NVCC is an outstanding institution, providing an excellent education and support to students who will make an important contribution to their families and their communities. It is my pleasure and honor to work with a wonderful group of Board Members, Dr. Daisy Cocco De Filippis, and our new CEO Dr. Lisa Dresdner, as well as the staff to make the Foundation programs possible.

None of this would be possible without your interest and generosity. We look forward to your continuing support.

Martha D. Bernstein

Chair, Naugatuck Valley Community College Foundation

TRANSFORMING LIVES

Dear Friends of NVCC,

The power of hope cannot be underestimated: Hope allows us to see a path through what might look like insurmountable obstacles. Hope gives us a light with which to see when we are in our darkest moments. Hope keeps us moving forward because we believe in a future. Your support of Naugatuck Valley Community College provides the strong and fertile ground on which hope can flourish.

On behalf of our students, faculty, and staff, I want to express my deepest gratitude for your support. This year more than ever, your help allowed our students access to technology so they can continue their coursework at home; provided meals for our students so they can study without feeling hunger; awarded more scholarships than ever before so students can reach their academic goals; and offered that extra help in emergency situations so that students can continue with hope, taking one step at a time.

You have supported our ongoing work on diversity, equity, and inclusion so that we can continue creating an inclusive environment that is essential for learning and where students know they belong.

At NVCC we believe that every student matters and that every student can succeed. We are committed to making a difference in the lives of our students and in the communities we serve.

Thank you for being an integral part of our efforts to transform lives, and for your support of our students whose stories of hope sustain us all!

Lisa Dresdner, Ph.D.
CEO, Naugatuck Valley Community College

Dear Friends of NVCC,

Welcome to the NVCC Foundation 2020 Annual Report. Thank you for your generosity that continues to change the lives of NVCC students. The arrival of the COVID-19 pandemic during this fiscal year created a critical need for our students and you were the bridge our students needed to push forward. Thank you for continuing to believe in our students and the power of education. You are sincerely appreciated for providing strength, hope, opportunity, and change.

Traditionally this report is produced for the NVCC Foundation Leadership Breakfast in early spring. However, the pandemic changed our schedule a bit, so not only are you getting this report a little later than usual, but we have also rescheduled our Leadership Breakfast for fall 2021. This report also reflects our leadership change that occurred last year: Daisy Cocco De Filippis, Ph.D., retired as President of Naugatuck Valley Community College on August 1, 2020 after successfully leading the college for 12 years. Upon her retirement, Lisa Dresdner, Ph.D., was appointed as CEO of NVCC.

Thank you again for being constant and unwavering in your support to NVCC students. I am truly inspired by you all and look forward to continuing to work together to change lives for the better!

Angela Chapman
Associate Dean of Development, Naugatuck Valley Community College

SEPTEMBER 2019

NVCC Women's LEAP Program Kicks Off

The Women's Giving Circle of the Connecticut Community Foundation awarded the NVCC Foundation with a \$10,000 grant to implement the NVCC Women's Lead, Empower, Achieve (LEAP) program.

NVCC's Women's Lead, Empower, Achieve (LEAP) program.

The NVCC Women's LEAP program was designed to support the needs of a select group of at-risk women who, despite overwhelming challenges, demonstrated resilience and tenacity in furthering their education. This initiative enhanced their college experiences with relevant workshops and mentorships with a goal to improve retention, leading to graduation and preparing these women for meaningful careers.

100% of the Women's LEAP cohort completed their fall 2019 semester with a GPA of 3.0 or higher and successfully continued the program through the spring semester.

OCTOBER 2019

**NVCC Hosted Second Annual Alumni
Advanced Manufacturing Technology Event**

Naugatuck Valley Community College Alumni Association in collaboration with the Advanced Manufacturing Technology Center (AMTC) hosted a gathering of manufacturing alumni, current AMTC students, faculty and staff at the Brassworks Brewing Company.

The second annual event, held in October 2019, coincident with "manufacturing month" in Connecticut, gave students and graduates an opportunity to reunite with classmates, meet industry colleagues and enjoy craft beer and food.

"Although it successfully reunites alumni, students, faculty, staff and local manufacturers, the event is actually a fundraiser, that supports students pursuing careers in manufacturing," noted Angela Chapman, Associate Dean of Development and Alumni Relations.

"We are most grateful to our sponsors, the manufacturers whose support makes this event possible. Through their sponsorships, the College raised \$13,800, all of which will be used to support manufacturing students."

Manufacturing sponsors included Vision Engineering, Belimo Aircontrols, Fairchild Auto-Mated Parts, Anomatic Corporation, Marion Manufacturing, ASML, Trumpf, Fryer Machine System, Click Bond, Samson Machine, Southington Tool and Manufacturing Corporation.

NOVEMBER 2019

This pilot project is designed to enhance and expand the NVCC Hospitality Program by establishing an internship component that serves the needs of the aging population residing in area assisted living communities. Through this initiative, NVCC students will experience hands-on, work-based career opportunities in the fastest growing segment of the hospitality industry.

NVCC HIGHLIGHTS 2019-20

FEBRUARY 2020

Naugatuck Valley Community College Hosts Annual Donor Recognition Event

NVCC President Daisy Cocco De Filippis, the NVCC Foundation and Board of Directors hosted their annual Donor Appreciation reception on February 20, 2020. Martha Bernstein, Chair of the Foundation opened the event with a warm welcome and thanks to NVCC's donors. Bernstein explained the importance of supporting NVCC in spite of programs like the new "Debt-free college." "Many of our students do not qualify for these funds because they are not first time or full-time students."

Student speaker, Shakera Jones, a fourth-semester business student took the podium to thank the donors. Jones shared her own struggle with the transition from high school to college and the difference NVCC had made for her- the faculty, staff, and support from the foundation. She shared a video documenting her own growth to influence other students to take advantage of all that NVCC has to offer.

APRIL 2020

Naugatuck Valley Community College President and Foundation Establish COVID-19 Student Emergency Fund

The NVCC Foundation Board of Directors, in collaboration with President Daisy Cocco De Filippis, established the NVCC Foundation COVID-19 Student Emergency Fund to assist NVCC students struggling with financial hardship due to the COVID-19 pandemic.

The intention of this fund is to help meet the immediate needs of NVCC students during this crisis so they can experience peace of mind and academic success.

Reaching out to the community, the Foundation raised over \$73,105 to assist students during the pandemic. Funds came from individual donors, foundations, and businesses. Stop and Shop donated \$1,000 in gift cards and the United Way of Greater Waterbury in collaboration with the Connecticut Community Foundation donated \$5,000 to assist with food insecurity. The Fairfield Community Foundation awarded NVCC \$7,000 to assist our Danbury Students with laptops and internet services.

NVCC utilized these funds in response to 554 student emergencies. Like many, our students lost jobs or their parents were no longer able to support the household due to illness or job loss. NVCC was able to deliver food packages to quarantined students, and allocated emergency funds averaging \$400 to help students pay rent, utilities, insurance or other emergency needs.
